**CLAIM SUBMISSION REMINDERS:**

- Credit card statements, cancelled checks and balance forward/prior balance statements *are not* acceptable.
- The service being claimed must be provided within your Plan Year to you, your spouse or your dependent.
- In general, IRS regulations do not require that you pay for a service before requesting reimbursement. A request for reimbursement must be based on the date when the service was provided, not the date when a payment was made. (The IRS allows one exception: orthodontia expenses can be based on date of payment, date of service or payment due date on statements/coupons.)
- Claims must be submitted *after* a service is provided, but *before* the end of the run-out period following the end of your Plan Year.
- Claims must be received by Benefit Resource, Inc. within the timeframes specified in the Plan Highlights.
- The expense being claimed cannot be reimbursed from any other source.
